Docket No. 98N-1265

0790 '99 MAY 17 NO:10

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Please preserve my freedom to order out-of-state prescriptions. Without my individually "tailored" hormone replacement therapy I would be forced to return to a state of ill health that, at this point, I've gratefully left behind.

Kindly represent my request in legislation.
